eT3 ELECTRIC VAN

BYD eT3 Electric Van

The high performance eT3 is a compact 100% electric van that offers low energy consumption and reduces cost of maintenance, making it an ideal solution for businesses and fleet operators.

Cost-Saving, Eco-friendly and Safe

The eT3's pure electric drive, powerful motor and automatic gear shift makes it easy to operate with zero tailpipe emissions.

Powered by BYD's proprietary LFP Blade Battery with a capacity of 44.9kWh, the silent-running vehicle offers a driving range of up to 280km on a single charge.

With ample cargo space of up to 3.8m³ and a 800kg payload, the energy-saving eT3 is designed to meet your urban logistics and transportation needs.

Cost-saving

- Low running and maintenance costs translates to higher ownership savings

Eco-friendly

- LFP Blade Battery chemistry contains no heavy metals
- Uses non-toxic electrolyte with no heavy metals

Safe

- Proprietary Battery Management System (BMS) for balancing and charging safety
- No oxygen released, no propensity for combustion
- Thermal balancing technology
- Prevent swelling of battery cell

TECHNICAL SPECIFICATIONS

Dimensions	Length	4,460mm	
	Width	1,720mm	
	Height	1,875mm	
	Wheelbase	2,725mm	
	Curb Weight	1,620kg	
	Maximum Payload	800kg	
	Gross Vehicle Weight	2,420kg	
	Performance	Top Speed	100km/h
		Gradeability	Up to 20%
		Range (WLTP)	Up to 280km (urban)
Powertrain	Cargo Volume	3,800L	
	Minimum Turning Radius	≤5.75m	
	Suspension	Front – MacPherson Strut, Rear – Leaf Spring	
	Brakes	Hydraulic Disc Brakes with ABS and Regenerative Braking	
	Tires	195/60 R16C	
	Motor Type	AC Permanent Magnet Synchronous Motor	
	Max Power	100kW	
	Max Torque	210Nm	
	Energy Consumption	179 Wh/km	
	CVES Band	A	
Battery Type	BYD LFP Blade Battery		
Battery Capacity*	44.9kWh		
Charger	AC 6.6kW / DC 50kW		
Charging Voltage	Single-phase AC 230V / Three-phase AC 400V		
Charging Time (0-100% SOC) [^]	AC 6.8h / DC 1h		

FEATURES

- AC and DC Charging Connectors
- 7" TFT radio display integrated with reverse camera
- Keyless Entry and Start/Stop System
- Electronic Gear Selector and Parking Brake
- Selectable Regenerative Braking Control
- Tire pressure monitoring system (TPMS)
- 4.3" TFT instrument panel display
- Driver and Front Passenger Airbags
- Factory Fitted Leather Seats
- Automatic Headlights
- Digital Climate Control A/C
- Aluminium Chequered Cargo Plate
- 5-Twin Spoke Alloy Sports Rims (16")
